“Career Counseling Session on Computer Awareness and Skill Education”

Organized by Career Guidance and Placement Cell

Date: 17 September, 2026

Arya Kanya Mahavidyalaya, Shahabad Markanda organized a special Career Counseling Session on Computer Awareness and Skill Education for second-year students on 17 September 2026 under the Sewa Sankalp Abhiyan.

The session was addressed by Dr. S.S. Ahuja, Director, Ahuja Next Gen & Retired B.O. along with Ms. Sakshi, Faculty, Next Gen, who guided students on the importance of digital literacy, computer skills and emerging career opportunities.

Principal Prof. Aarti Trehan encouraged students to enhance their technical knowledge and digital skills for a brighter and more empowered future.

The programme, coordinated by Dr. Hema Sukhija, Convener, Career Guidance & Placement Cell, witnessed the enthusiastic participation of **184** students.

Objectives

- To create awareness among students about the importance of computer knowledge and digital skills in higher education and the workplace.
- To develop essential computer skills required for academic, professional, and personal development.
- To guide students about career opportunities available in computer-based and skill-oriented fields.

Digital Skills to Empower Girls for a Brighter Career Future

Jasbir Singh Duggal, Shahabad Markanda, September 17:

A special career counselling session on "Computer Awareness and Skill Education" was organised for second-year students at Arya Kanya Mahavidyalaya, Shahabad, under the Seva Sankalp Abhiyan launched across the country on the occasion of Prime Minister Narendra Modi's birthday. The programme was organised under the guidance of Dr Hema Sukhija, Convener of the Career Guidance and Placement Cell. The programme commenced with the ceremonial lighting of the lamp before Goddess Saraswati by the chief

speaker, Dr S.S. Ahuja, Director, Ahuja Next Gen and Retired B.O., faculty member Sakshi, and Principal Prof. Aarti Trehan. The Principal welcomed Dr Ahuja by presenting him a sapling and encouraged the students to develop strong technical knowledge and digital skills to enhance their career prospects. Dr S.S. Ahuja sensitised the students about the growing relevance of computer knowledge and digital proficiency in today's rapidly evolving professional environment. He highlighted the importance of computer-based skills and apprised the students of diverse career opportunities emerging in the digital

and technology-driven sectors. Dr Hema Sukhija expressed gratitude to all the participants and said that in the present era, a degree alone is not enough, as digital literacy has become an essential component of career readiness. She emphasised the need for students to continuously upgrade their skills to meet the changing demands of the employment market.

Committee members Parvinder, Akwinder Kaur, Ishika, Diksha and Kajal played an important role in the successful organisation of the programme. As many as 184 students attended the session and benefited from the guidance provided by the experts.
